

# All Saints Child Care

---

January 1, 2012

## **We thank you, with gratitude**

Special thanks for the generous donations of new games and toys in the Child Care. We are truly blessed with wonderful and supportive families.

Blessings to you!

**Kudos** to the following preschool and child care staff for completing all of the coursework required for the Child Development Associate (CDA) credential.

**Thank you** Ms. Ann Giannini, Mrs. Mary Kray, Mrs. Laura Mackenburg, and Mrs. Mary Jo O'Connell for taking the time outside of school hours to complete the process and work involved. This demonstrates their genuine commitment to providing quality education and care for your children. The completed coursework and CDA applications have been sent to the National CDA Council in Washington D.C. and this spring they will take their national test to complete the credential. What an accomplished process for improving themselves, and the quality of our programs at All Saints Preschool and Child Care!

**Winter Weather** Please remember to bring snow gear each day for your child and a change of clothes in case your child's clothes become wet with snow!!! We will go outside as long as it's above 0 with the wind chill - this fresh air and free play time is essential to your child's health and growth!

## **Happy New Year - 2012!**

### **Preschool and Child Care Parent Advisory Meeting**

This meeting is an opportunity for parents to share input about ideas and suggestions for program improvement. Please join us. Your input is valuable!

### **Child Care Registration**
