

Adopt-A-Book Program

You can help to improve your child's media center here at LaSalle. Adopt-A-Book is available all year. Here's how it works:

- You choose a pre-selected book to add to our Media Center; or choose something you want to add to our library.
- You pay for the book and personalize a book plate for your selection. Prices of books range from approximately \$4.99 to \$19.99.
- We will process your choice of book and your child can be the first one to check out the book.

What a great way to help the media center build its collection and also honor your student or teacher, remember a birthday, have a memorial for a loved one or help us out JUST FOR FUN!!! Stop in and see our selection. Feel free to contact us if you have any questions.

THANKS FOR YOUR HELP!!!

Mrs. Charipar and Mrs. Cunningham
